

Comunidade

A hand-drawn sketch of a social media login form. It consists of three horizontal rows, each representing a different platform. Each row contains a circular icon on the left, a wavy line representing a password field in the middle, and a rectangular button labeled 'Entrar' (Login) on the right. The first row has a speech bubble icon, the second has a triangle icon, and the third has a Facebook 'f' icon. The entire sketch is drawn on a grid background.
